Payment Information for LearningField

What is LearningField?

LearningField is a world-first Australian innovation that delivers curriculum-linked digital textbooks directly to teachers and students. With LearningField, teachers and students can select from a huge online library of textbooks from Australia's leading educational publishers. They can access these anywhere, anytime on a range of operating systems and devices: iPads, Macs, PCs, Chromebooks or Android tablets.

Your child's LearningField subscription

In 2018, Year 10 students at Hunter Valley Grammar School will be using LearningField to access digital textbooks for their core subjects in Mathematics, History and Geography, and for elective students in Agricultural Science. The subscription cost will be \$115 per student, plus an additional \$38 for Agricultural Science, which allows unlimited access to these digital textbooks for the 2018 school year. Subscriptions are paid online at www.learningfield.com.au.
